About THE LAB

Established in 2015. The Lab is a leading Saudi healthcare provider renowned for innovation and quality. Initially focused on medical supplies, we've grown into a diverse group offering:

- General Medical Equipment
- In Vitro Diagnostic Solutions
- Medical Hardware
- Medical IT Solutions

About THE LAB

Partnering globally, we provide cutting-edge technologies and tailor solutions to enhance efficiency and patient outcomes.

Committed to impacting healthcare and aligned with Saudi Arabia Vision 2030, our mission is to lead with innovation and excellence, shaping the future of healthcare in the Kingdom.

Vision

Our vision is to be the premier partner in advancing healthcare across Saudi Arabia, empowering medical professionals with cutting-edge technology and unwavering support.

Mission

Our mission is to provide more than just medical equipment; we deliver solutions that positively impact lives and contribute to the well-being of the community. We are driven by the belief that our work in the medical field is fundamentally about serving humanity.

The Lab Business Unit

The Lab provides comprehensive solutions across the healthcare and scientific sectors in Saudi Arabia through three key business areas:

- Medical Supply
- Industrial & Environmental Solutions
- Life Sciences

The Lab Business Unit

■ Medical Supply

Since **2015**, we have established ourselves as a leading provider of comprehensive medical equipment solutions. Our offerings include:

- General Medical Devices.
- In Vitro Diagnostics.
- Medical Hardware.
- Medical IT Solutions.

All designed to empower healthcare providers with cutting-edge tools that enhance patient care and operational efficiency.

The Lab Business Unit

■ Industrial & Environmental Solutions

Our Industrial & Environmental division delivers advanced laboratory technologies tailored for:

■ Research & Development (R&D). ■ Quality Control. ■ Production.

across a variety of industries. These include:

■ Pharmaceuticals. ■ Chemicals. ■ Food & Beverage.

■ Environmental & Water Analysis.

We are dedicated to providing solutions that ensure precision, compliance and sustainability for our clients.

The Lab Business Unit

■ Life Sciences

As a trusted distributor of innovative life science products, we are committed to supporting **biotech scientists** and **engineers** in both industrial and research settings.

Our solutions empower breakthroughs in molecular biology, genetics, and biochemistry, enabling researchers and professionals across Saudi Arabia to push the boundaries of scientific discovery.

We are dedicated to providing solutions that ensure precision, compliance and sustainability for our clients.

Operation and Logistics

We are strategically positioned to effectively serve the Saudi Arabian market through:

1 Extensive Reach

Our robust distribution network includes three strategically located warehouses in **Central Riyadh**, **Eastern Dammam**, and **Western Jeddah**, complemented by coverage in the **Southern** and **Northern regions**. This network ensures comprehensive, timely, and efficient delivery of our products and services across the entire Kingdom.

Operation and Logistics

2 Experienced Teams

Our highly skilled teams in management, sales, technical support, and logistics are dedicated to providing exceptional service and expertise.

Staff

Our strength lies in our highly experienced teams, including:

Management
Team

Sales
Team

Technical Support
Team

Logistics
Team

Their collective expertise and dedication ensure exceptional service and foster lasting client partnerships.

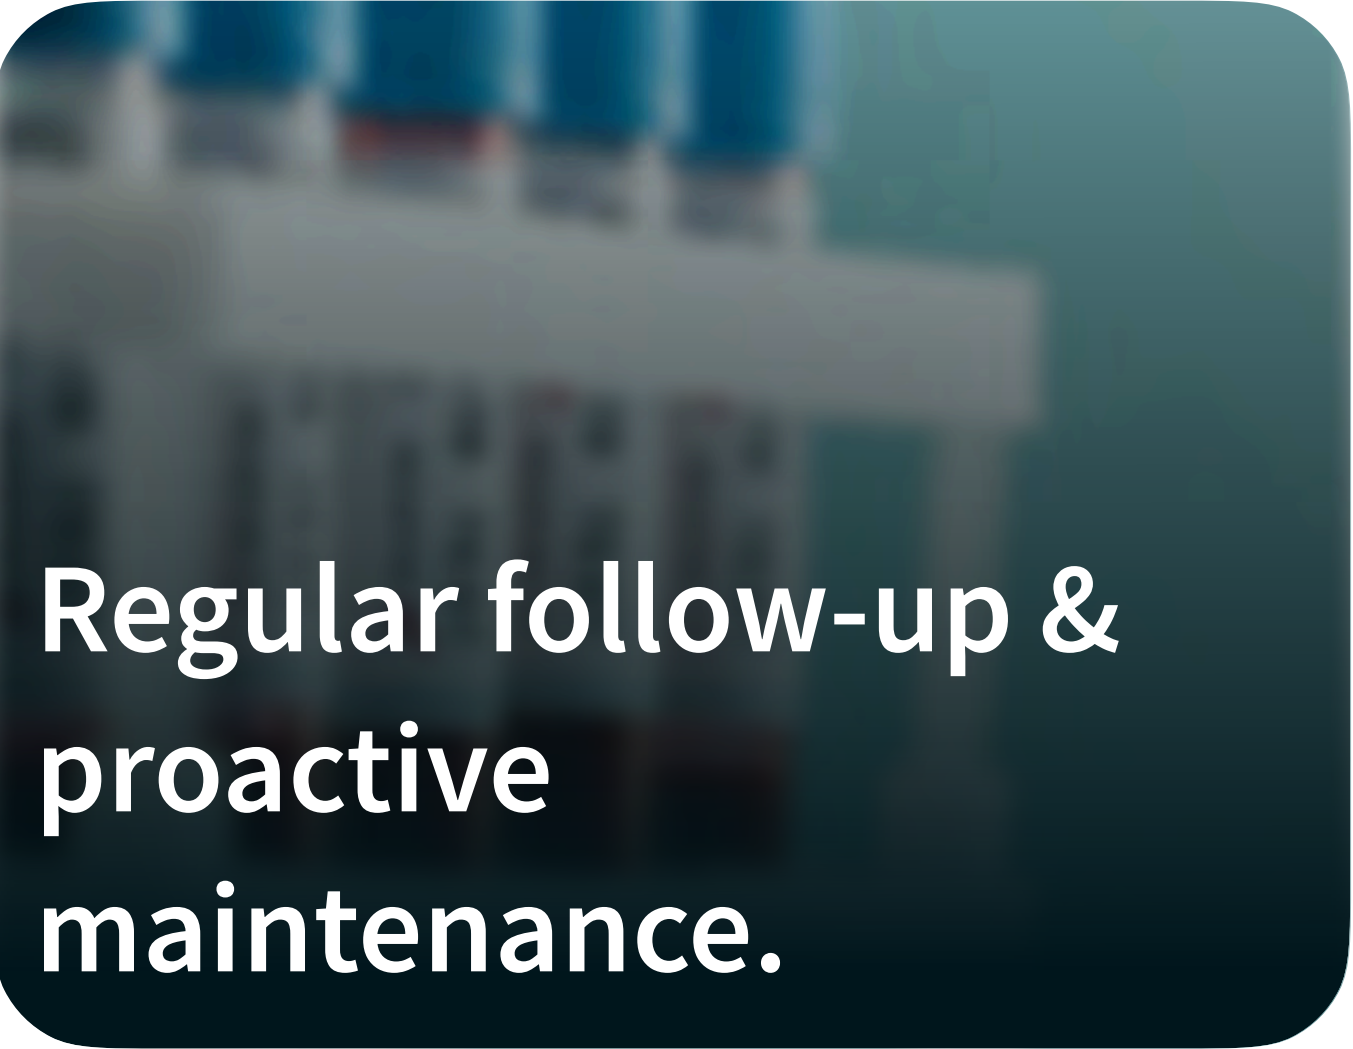

Customers Support

Our commitment extends beyond the initial sale

We prioritize our clients' long-term success by offering exceptional after-sales service. This dedication allows us to build sustainable working relationships. Our comprehensive after-sales services include:

**Supply & Installation
of equipment.**

**Regular follow-up &
proactive
maintenance.**

**Dedicated Technical
Support.**

Agencies

Over the years, The Lab has proudly partnered with a wide range of prestigious hospitals, laboratories, and healthcare institutions across Saudi Arabia. These collaborations underscore our reputation as a reliable and trusted provider of medical equipment and solutions.
